MEMORANDUM FOR:	Legislative Liaison Staff		25X
FROM :	Chief, Iberian-Aegean Brand Western Europe Division, El		25X
THRU :	Director, European Analysis	S .	25X
SUBJECT :	Response to HPSI Request	•	
Hamilton of the draft resolution in Congress. We September and exthat the Turks wade by Armeniar might be repercupassed by the Congressed	HPSI for any published analy on the "Armenian genocide" passed through the ADDI's extracts from an IA published were extremely sensitive on a nationalists. The NID artusions for US-Turkish relationgress. DI's office called again to push the HPSI staff, concerning where the HPSI staff, concerning where the total the Congressional called Mr. Latimer. Drawing ara Mr. Latimer that the reactions had been many demands in the them are the total against the US had so far managed to deflect, I said that there appeared those demanding retaliation	ss on a request from Congressman ysis of the Turkish reaction to the , which is currently under debate staff copies of a NID article of 20 in September. Both made the point the Armenian question and charges icle further suggested that there ions if the resolution were to be pass on an urgent query from Mr. hether the Turks had in fact taken debate. At the suggestion of the ng largely on unclassified cables on in Turkey had been highly the press, public, and parliament , but Prime Minister Ozal and ct them. In response to a question d to be much emotion but little . Demands included calls for a sence of US installations to a tionship.	25X 25X
